

ELEVATE YOUR UTILITY SAFETY & LEADERSHIP CAREER

CERTIFIED UTILITY
SAFETY PROFESSIONALS

CUSP®

ACHIEVE A CREDENTIAL THAT HELPS YOU:

INCREASE YOUR VALUE WITHIN YOUR ORGANIZATION

GAIN INDUSTRY-WIDE RECOGNITION AS A SAFETY PROFESSIONAL

MAKE VALUABLE CONNECTIONS WITH UTILITY SAFETY PROS

EXPAND YOUR CAREER GROWTH OPPORTUNITIES

WHY BECOME A CUSP?

You have dedicated your career to providing safety and operations leadership in the utility industry. Now is the time to enhance your professional status with the CUSP certification. Join a distinguished group of individuals who have demonstrated their job safety knowledge and skills by becoming a CUSP.

As a CUSP credential holder, you will benefit from:

- Industry-wide professional recognition as a utility safety professional
- Assurance to employers and others that you have the broad knowledge, skills, and abilities needed to excel in the utility work environment
- Increased career growth opportunities because CUSP credential holders are in demand
- Access to industry peers within the CUSP community
- The opportunity to continue your professional growth in the practice of utility safety leadership

ARE YOU ELIGIBLE?

To apply you must meet the eligibility requirements for CUSP Blue or CUSP Green.

For Safety Professionals in Operations Management or Supervisor/Foreman Roles

- At least 3 years of utility operations leadership experience
- At least 1 year in a role where safety activities are a part of your job description, e.g., tailboards, safety committees, safety meetings

For Safety Professionals in Safety/Training Leadership Roles

- At least 3 years of utility experience in a dedicated safety and/or training leadership role

PREPARE TO PASS THE EXAM

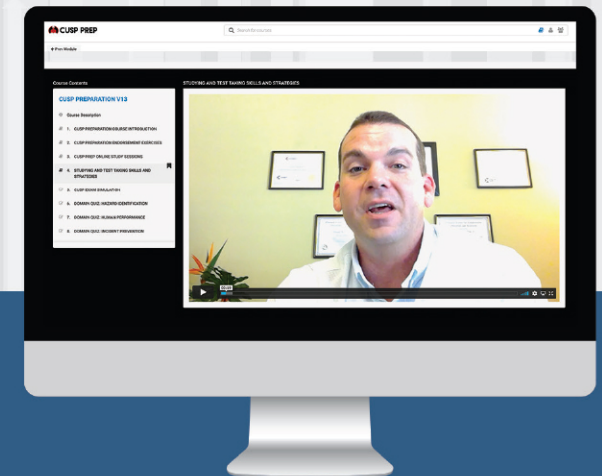

CUSP Prep is an optional online, self-paced tool that can improve your readiness for the CUSP exam. Offered by the iP Institute, CUSP Prep includes practice exams, test-taking tips and live online study sessions covering potential exam content.

CUSP Prep Benefits:

- Learn and apply studying and test taking skills
- Identify your strengths and weaknesses in core domain and endorsement areas
- Get familiar with topics likely to be covered on your exam
- Assess your readiness for the exam
- Online facilitator-led study sessions

Convenient and Secure Testing

ONLINE EXAM DETAILS:

- CUSP exams are offered online twice per month.
- Take the exam when you are ready from the convenience of your home or office.
- Exams are secure and encrypted.
- All exams are remotely proctored using the microphone and camera on your computer.
- Receive your exam results via email.
- All certifications require passing the CUSP base exam + at least one endorsement.

The CUSP certification is administered by the Utility Safety & Ops Leadership Network.

USOLN MISSION:

The Utility Safety & Ops Leadership Network (USOLN) serves as an advocate for a safe, secure and productive utility work environment and as a catalyst for the prevention of incidents. The USOLN provides utility companies and their contractor partners with a reliable certification program, legislative/regulatory updates, and networking resources.
